from your store to your house in Elizabeth. Get rid of the slush and mud; of the crowded and blocked cars. Save your time, temper and energies for your business. The property owners of Elizabeth, to facilitate those in want of Houses, have organized to give proper information, and, represented by one of their number, will be found daily, from II A. M. to 37. M., at 65 Liberty street, New York.

As compared with Elizabeth, Westchester county is in Alaska. Elizabeth has schools famous for years; public schools rank with those in New York; churches, all denominations: paved streets; protection; good markets; no Sunday trains to disturb, with a roving and mixed population, the quiet of the Sabbath; two railroads (with a ferry to Desbrosses street for up town); trains every quarter of an hour; no monopoly; gas, water, sewerace, city horse cars. The Singer Company, appreciating Elizabeth, are investing a million in factories, and will add 10.00 to the population. Fine Sites and Water Front for factories. With sneelal inducements.

Desirable Houses, all sizes, all conveniences and at reasonable prices. Some for sale on small payments, so that paying a rent one in a few years becomes owner, and is rid of the landlord, and a root for the "rainy day" is secured to wise and little ones. This has been tried by those who never thought they could buy a house.

Houses to let, \$50 and upwards.

Already the demand sets in. There will not be a half dezen houses tide in Elizabeth on the 1st of June.
